We return to the hotel for an afternoon at leisure before we head out in the late afternoon to visit the imposing Sigiriya Rock Fortress and hopefully witness the beautiful sunset.

A UNESCO World Heritage site, Sigiriya is an enormous rock boulder rising some 200 meters above the surrounding jungle. Built by King Kassapa I in the 5th century BC, it served as a royal citadel for more than 18 years, something that seems more astonishing with every step you climb. As you ascend, pause to admire the mirror wall, the sigiri graffiti, the famous Sigiriya frescoes (paintings) and the great lion paws. Upon reaching the summit you'll immediately see that it was worth the effort.

Look out for the famous Gal Viharaya or “Rock Temple” where you will see four colossal statues of the Buddha cut into the stone, reflecting peace, serenity and strength.

This afternoon we head out to Minneriya National Park. Located in the North Central district of Sri Lanka, it is a sanctuary for wildlife and one of the best places on the island to see the Sri Lankan Elephant up close, as well as a host of other mammals, birds, butterflies, reptiles and amphibians. From here, we continue our journey south to Kandy, stopping en route visiting in Matale at a spice garden for a spice identification session.

Our first stop will be the Temple of the Sacred Tooth Relic, the most prominent Buddhist Temples in the hill capital. Located near the banks of the scenic Kandy Lake, the temple is a city landmark and revered by Buddhists. Built during the 16th Century, the Temple of the Tooth is one of the most important temples for Buddhists as it houses the Sacred Tooth Relic of Buddha. The city of Galle mixes the exotic with the colonial. This impressive Fortress, originally built by the Portuguese and further fortified by the Dutch, remains standing today with only a few changes, and is a living example of the interaction between European architecture and South Asian traditions during the 16-19th Centuries. As we explore Galle Fort, with panoramic views of Old Dutch Reformed Church, chic boutique hotels, the lighthouse and the souvenir shops along the way, we end our walk at the Moon Bastion for a photographic moment overlooking the Indian ocean.
